

Mrs V Wallace  
Head Teacher

## WEEKLY REPORT FROM THE HEAD TEACHER

On Monday it was an absolute pleasure to see the children enjoy the Harvest Service at St Mary Magdalene's Church and we thank everyone at the church for welcoming us.

The children demonstrated the Lillington 5 S's impeccably,

we are all very proud of you. Well Done! Thank you for Your generous food donations the team at St Mary's were extremely grateful.

The mild weather has helped ensure the children have been able to enjoy our extensive grounds at break time, lunchtime, forest school and for lessons such as art and PE. We try to make use of our outdoor spaces as much as we possibly can. Now that the weather is starting to cool, please do ensure that your child has a suitable coat with them to continue to be able to enjoy the outdoors.

There is a significant amount of lost property in the area next to the school office. Please do ensure that your child does look for any items they are missing. There are many good quality autumn/ winter coats too. The items which do not have a name will almost never find their way back to their rightful owner.

Have a wonderful weekend it looks set to be the expected autumnal weather.

Best wishes, Mrs Wallace.

## NOTICES:

For eligible parents wishing to use pupil premium for school expenditure please ensure you email [admin@lillingtonprimary.com](mailto:admin@lillingtonprimary.com), verbal requests cannot be facilitated. Thank you for your support.

If you have a child in Nursery, please ensure you return your funding forms.

Reminder! School photo day will be Tuesday 24 October.

Future requests for additions to clubs via ParentPay will no longer be accepted. All bookings need to be made in advance the day prior at the latest.

# IT'S EXCITING TO NOTICE AND CELEBRATE

Congratulations to Peake class who achieved the highest attendance in Key Stage 1 this week! 96.7%

Congratulations to King Class who achieved the highest attendance in Key Stage 2 this week! 95.7%

Super well done to Maple Class who achieved the highest attendance this week! of 97.5%

Congratulations to Qui'Nae and Abigail for being awarded a Sports captaincy for the academic year.

Overall school attendance has not hit our target of 95%. Total school attendance was 93.5%

# NURSERY

This week in Nursery the children have been learning about birthday's and celebrating special dates.  
We have held pretend birthday parties in nursery this week!

# RECEPTION - BEVAN

reception have had a great week learning our focus book The Little Red Hen!  
We have made bread and learned parts of the story!

# YEAR ONE - DARWIN

Darwin have been busy getting immersed in their new class text 'How to trap a wolf'. They heard a wolf howling, found the footprints and tried to hunt it down. This week they have been thinking about what they could do to trap it and how they might be able to tell someone to build a trap. They have worked well together to come up with a wide range of imperative verbs and have got really good at being bossy. Sorry parents and carers!

# YEAR TWO - PEAKE

This week in Year 2 we have been learning about number bonds in Math and how to stay healthy in science.

Fabulous work Peake - well done to you all!

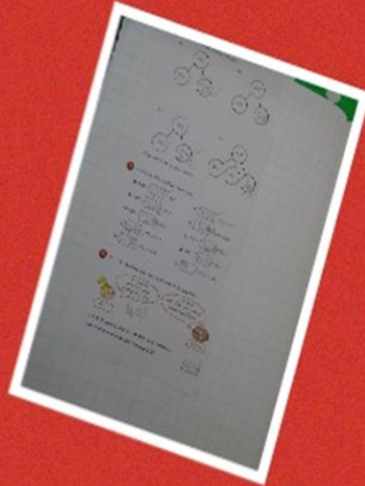

# MAPLE CLASS

## Maple News

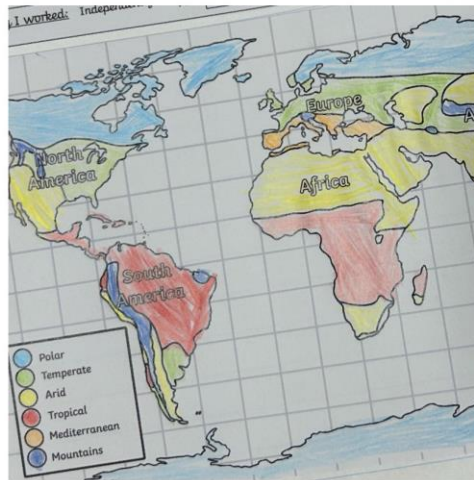

This week in maple we have been busy adding and subtracting, listening to the story of The Owl who was afraid of the dark. In happy minds we made our brain hats so we can wear them to help us concentrate when we work. In science Maple looked at and investigated mechanisms such as pulleys gears and levers and found out that a smaller force can have a greater effect. As part of our English lesson we have been writing sentences to match a picture, using our imaginations. Then we re read them and altered them to improve our writing. A fantastic week had by all.

# YEAR THREE - DREW

Year 3's recent Geography lessons have seen them learn all about the layers of the Earth, tectonic plates, and climate zones. They had lots of fun getting hands on by making practical models!

# YEAR FOUR - HOPPER

Year 4 have been practising subtraction where exchanges need to take place. We used place value charts and counters to help us work this out.

# YEAR FIVE - KING

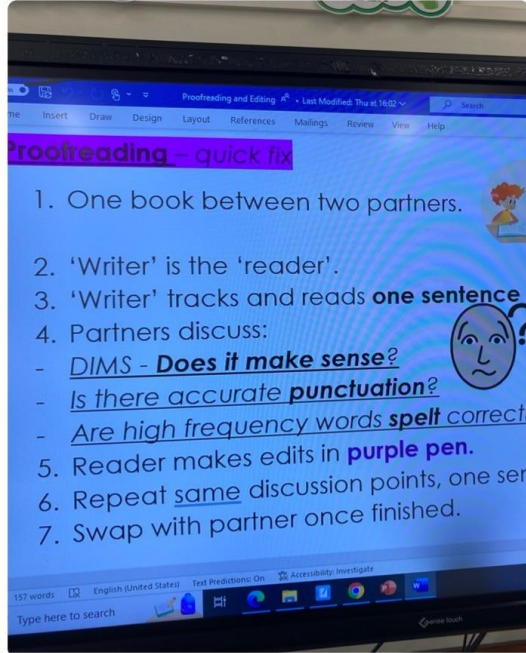

King Class have been learning about air resistance during their science lesson this week. They learnt that air resistance increases if there is a larger surface area. After looking at a presentation, they made some parachutes to help prepare for an air resistance investigation next week.

# YEAR SIX - FITZGERALD

This week, the children have been rigorously checking and adding the finishing touches to their Application Writes in English. The children worked in pairs to uplevel the quality and accuracy of the content within their dilemma story structures and should all be extremely proud of what they have achieved.

# LPTFA NOTICES

Our fantastic **Fireworks Night** is Friday 3<sup>rd</sup> November and we need helpers to make it happen! There are various things we need people to do from setting up in the afternoon to packing away at the end with various things in between. If you can help up, please see what we need and sign up here: <https://volunteersignup.org/LPYPF>

Could you have a Loveitts board in your garden advertising the fireworks night? Local estate agent Loveitts are very kindly sponsoring the event and are providing 20 boards to go up in front of houses with details of the event on them. If you can have one, please contact Olivia Legrand, 07392 435333, [olivia.souza2@gmail.com](mailto:olivia.souza2@gmail.com) Loveitts will install the board and remove it after the event.

Thanks to those who have registered on easyfundraising and are supporting us through their online shopping.

If you haven't done it, it's really easy and won't cost you a penny. You shop and the retailer makes a donation to LPTFA <https://www.easyfundraising.org.uk/causes/lillington-school-ptfa/>

# FURTHER NOTICES

Warwickshire's Young People's Forum - IMPACT want to help schools understand what school is like for children and young people and what could help make this better. This survey is for all Warwickshire children and young people, but with a keen interest in the views of those who have support needs. To help gather views, young people have developed some questions which they would love you to answer. - <https://www.warwickshire.gov.uk/schoolexp> Please let children and young people know the opportunity is available and offer to support them to record their views if they would benefit from this. The survey is open until October Half-term 2023.

We want all children in Warwickshire to be...

HEARD SAFE HEALTHY SKILLED HAPPY

Physical intervention being used too much

Communication

Choice & flexibility - need reasonable adjustments

One size doesn't fit all

Give Time & Space

Sensory Needs

Impact of school on stress levels

Person not results

Treated worse because of additional needs - Invisible disability

Create safety

Listen & Understand
