

WEEKLY REPORT FROM THE HEAD TEACHER

Mrs VWallace
Head Teacher

Dear Parents and Carers,

My introduction to the newsletter this week has been somewhat hijacked for very good reason.

This morning I was delighted to share with your children that we have now received our Ofsted report and Lillington Nursery & Primary School is officially a good school.

Your children, the stars of the show, together with our dedicated team of professionals who work every day to deliver their best for our pupils deserved to be the first to know in our assembly this morning.

I am proud of everyone and look forward to continuing to evolve and improve our amazing school.

Enjoy your weekend.

Mrs Wallace
Headteacher

NOTICES:

From Monday we will commence our new Outdoor Play and Learning Programme, OPAL. The programme will be for Reception through to Year 6. Please ensure that your child has a pair of wellington boots in school. Improving and enhancing playtimes facilitates creative play where children develop their imaginations and ideas which support many learning objectives, for example, problem solving skills.

We now need your Help please:

We require donations of cardboard boxes of any size from any deliveries you might receive. Or if you visit a supermarket or shop over the weekend and they have spare cardboard please do bring it into school. We are also collecting pots, pans and colanders too.

NURSERY 2 YEAR OLDS

This week in Mother Teresa we have been learning about parts of our body by singing 'head, shoulders, knees and toes' nursery rhyme.

Whilst enjoying their time outside the children have chosen to look at how things can move by using balls and chutes.

NURSERY 3 YEAR OLDS

This week our story of the week has been Goldilocks and the three bears. We have been retelling the story in the home corner with porridge oats and props. We have been eating porridge today - yummy!

We continued with head, shoulder, knees and toes in PE and practised listening to the speed of the music, if we need to go faster or slower. We also continued to look at big, medium and small in our play. We have enjoyed exploring new colours with the paint and what colours we can make. In the water tray we have had floating and sinking objects. We used objects in our environment to see what will float and what will sink. The nursery children have also enjoyed building their own car wash and working as a team using the construction blocks.

NURSERY 3 YEAR OLDS

RECEPTION - BEVAN

Reception have been working hard reading and writing this week, as well as exploring outdoor learning.

YEAR ONE - DARWIN

Darwin have been incredibly busy planning and writing a narrative this week. They have enjoyed learning about Darwin and David Attenborough and choosing their own animal for their narrative.

YEAR TWO - PEAKE

Year 2 have been learning about habitats in their science topic this term. They went for a walk around the school grounds this week and identified lots of different leaves and berries. They also found lots of living things. We are so lucky to be able to do these lessons whenever we want in our grounds.

YEAR THREE - DREW

This week, Year 3 continued practicing their clay sculpture skills by focusing on creating repetitive patterns in the style of Bell Beaker pots. To do this, they were set the challenge of scavenging for natural tools, just like Iron Age potters - no plastic allowed!

YEAR FOUR - HOPPER

Lots of difficult balances for Year 4 in gymnastics this week!

YEAR FIVE - KING

King Class have been working on their skills for writing biographies. They've spent time researching their subjects - Florence Nightingale, Nelson Mandela, Napoleon, Queen Elizabeth and other notable historical people.

Here are some pictures of the children in action.

YEAR SIX - FITZGERALD

This week in Fitzgerald, the children explored and recorded the geography of areas using Ordnance Survey maps and Google Earth. They were able to accurately use grid references and contour lines and symbols to locate various features of places.
