WEEKLY REPORT FROM THE HEAD TEACHER

Thank you to all the parents who spoke with Ofsted this week and responded to the parent survey. The report will be published as we break for Christmas.

The Ofsted inspection did not take away from the learning children have enjoyed this week. From Art, to Pumpkins to Math we have had a super week of learning from all the pupils. Well done!

Finally, a reminder from me that on Tuesday we will be having our school photographs. These will be individual portrait style – full uniform please. Nursery children will have the opportunity to have their photograph taken too.

Have a lovely weekend.

Mrs Wallace

IT'S EXCITING TO NOTICE AND CELEBRATE

Congratulations to Peake class who achieved the highest attendance in Key Stage 1 this week! 96.3%

Congratulations to King Class who achieved the highest attendance in Key Stage 2 this week! 92.3%

Fantastic attendance Maple Class who achieved the highest attendance this week! of 97.5%

A fabulous well done to Charlie in Fitzgerald for being awarded Sports Captain!

Overall school attendance has not hit our target of 95%. Total school attendance was 92.6%

NURSERY

This week we have been looking at hairdressers. The children have explored different equipment and enjoyed role playing. The mud kitchen with smells of flowers and hot chocolate. We have also been looking at pumpkins and where they come from.

RECEPTION - BEVAN

Bevan Class in Reception have been exploring the pumpkins Mrs Radcliffe bought. We have compared weights and made Pumpkin Soup, including writing recipes. Brilliant work Reception!

YEAR ONE - DARWIN

In art this week, Darwin class used different materials to make collage self-portraits.

YEAR TWO - PEAKE

Peake Class had a super afternoon yesterday learning about primary and secondary colours. They had the opportunity to mix different amounts of primary colours together to make different shades of secondary colours. They then took a huge amount of care to paint their colour wheels with some fantastic results.

MAPLE CLASS

This week in Maple

We made paper helicopters and timed how long they took to fall 2 metres.

Using what we learnt about air resistance and gravity, we designed and made new helicopters out of the same size paper to see if they would take longer to fall.

We found bigger wings took longer as they created more air resistance.

YEAR THREE - DREW

A huge thank you to Ms Hawker for spending an afternoon with the children showcasing and discussing fossils and archaeological finds.

YEAR FOUR - HOPPER

Year 4 have been challenged this week in art. We were learning how to identify, mix and use warm and cool paint colours evoke warmth or coolness in a painting.

YEAR FIVE - KING

King Class have started their addition and subtraction unit in maths. After looking at mental strategies, the children started using the column method for larger numbers than in year 4. Here they are using counters and place value cards to support with their understanding.

YEAR SIX - FITZGERALD

Reading for Pleasure! The children in Fitzgerald spent the last week spreading a love of reading both in and out of school. More class volunteers joined Reception Class at lunchtimes to continue 'Reading Buddies' and this afternoon, all the children will again visit Lillington Library to relax and enjoy the countless literary choices on offer.
