

Finham Park Multi Academy Trust Delivering a World Class Education

WEEKLY REPORT FROM THE HEAD TEACHER

Dear Parents & Carers,

Welcome back! We have been delighted with the level of enthusiasm and excitement from the children returning to school this week. It has been a short week, but there is lots to read in the Newsletter regards to learning taking place.

This week I would like to use this newsletter to raise some housekeeping items:

- 1. From Monday 15 January please ensure that all absence from school is reported via study bugs. Access to study bugs is straight forward and can be found in the top right-hand corner of our school website. Study Bugs links directly with our school registers and supports us with our safeguarding policy. Thank you for your support.
- 2. All school meals should now be ordered via ParentPay. If you do forget please call the school before 9.30am to order via the school office.
- 3. There is an increasing amount of lost property, please ensure your child's belongings are clearly labelled to help reunite items with children.
- 4. After School Club with Mrs Hall will be CLOSED on Monday 22nd January for staff training. Mr Findlay's Year 3 and Year Mixed Football Club remains open.

Best wishes,

Mrs Wallace Head Teacher

IT'S EXCITING TO NOTICE AND CELEBRATE

Congratulations to Maple class who achieved fantastic attendance this week **96.9%**

Congratulations to Darwin class who achieved the highest attendance in Key Stage 1 this week **95.8%**

Congratulations to Hopper Class who achieved the highest attendance in Key Stage 2 this week **94.4%**

Overall school attendance this week is below our target of 95%. Total school attendance was <u>92.2%</u>

The SEND page on our school website contains lots of helpful information. <u>https://www.lillingtonprimary.com/send-</u> <u>information-and-report/</u> Please do take a look and if you need any advice or support, please ask.

The Community Autism Support Service provides support and guidance for young autistic people or those awaiting a diagnosis. The service currently has a significant waiting list and has therefore produced a bank of materials to support young people and their families. This can be accessed by clicking this link - https://casspartnership.org.uk/resources/

Warwickshire SENDIAS provides information, advice and support to disabled children and young people, and those with SEN from birth to 25, and their parents living in Warwickshire. 'Young people' means those aged between 16 and 25 years who can contact SENDIAS independently if they wish to do so.

Their accredited team of local advisors offers impartial, confidential advice and support on all matters relating to SEND. Their aim is to enable you to make informed decisions.

NURSERY 2 YEAR OLDS

Mother Teresa has settled back to nursery well this week. We have been making new friendships by welcoming our new additions to our classroom. The children have also been exploring 'loose parts' to construct and build with.

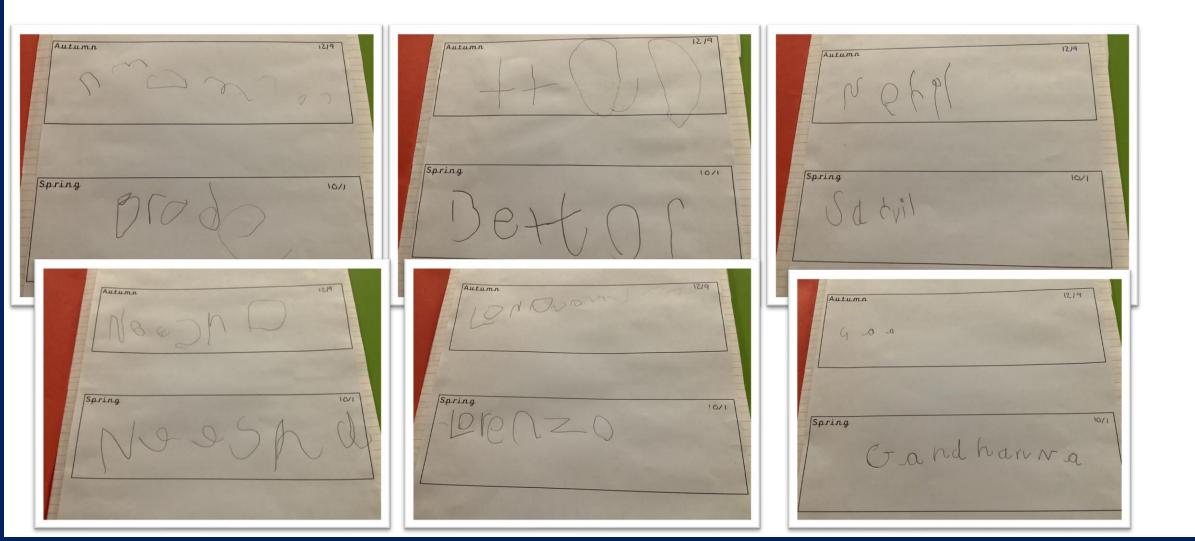

NURSERY 3 YEAR OLDS

This week we have been settling in back into our routine. We have also welcomed in our new starters. We have been looking at ice and what happens to it as well as frost from the morning. We have enjoyed playing with our new friends and building with the construction blocks.

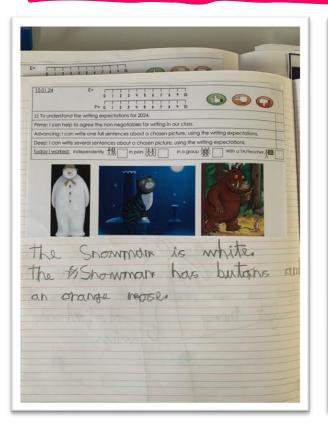

RECEPTION - BEVAN

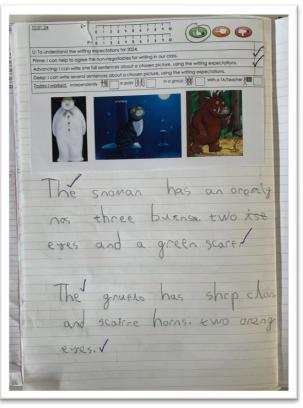

Reception have made so much progress writing their names since September, Mrs Wallace was so impressed that we blew her socks off!

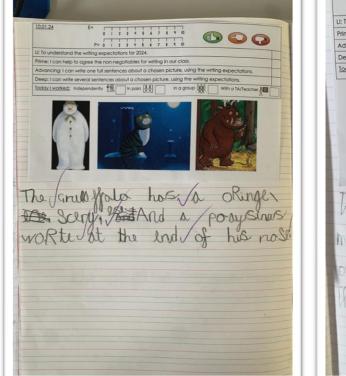

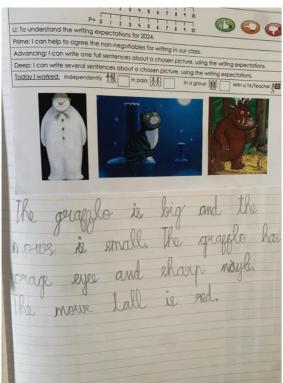

YEAR ONE - DARWIN

Year 1 have had a great start to the new year. They have rewritten the Year 1 writing toolkit to challenge themselves even more within their writing. Here are a few examples from the very first lesson back.

YEAR TWO - PEAKE

Year 2 had a fantastic first day back. They came into class to find a letter from a pirate telling them a treasure chest had been hidden in school and they had to follow the clues to find it. After the hunt, we made our own treasure maps, pirates with moving limbs and read some pirate stories. The next day they wrote recounts of their treasure hunt.

YEAR THREE DREW

Drew Class have been working very hard since their return this term. Our new topic is Rocks, Relics and Rumbles. In art we have been looking at fossils and focusing on shading and texture from real ammonites and pictures. The children have also been focusing on proportion and viewpoint.

YEAR FOUR - HOPPER

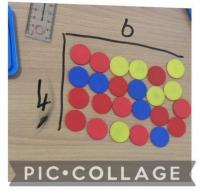

Year 4 were introduced to factors for the first time this week. They learnt that when they multiply two whole numbers to give a product, both the numbers that they multiplied together are factors of the product. For example, $3 \times 5 = 15$, so 3 and 5 are factors of 15. 3 and 5 are also referred to as a "factor pair" of 15

YEAR FIVE - KING

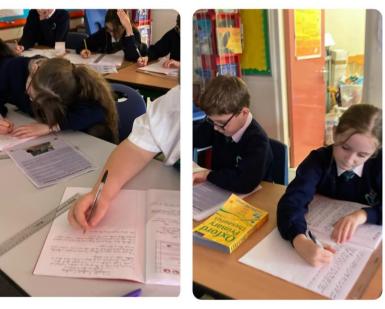

King Class have started a series of yoga sessions in their PE this week. They learned a range of yoga poses including fox, cow, cobra and downdog. Once they'd learned the poses, they linked them together to create a flow. In these photos the children are showing some of the poses.

YEAR SIX - FITZGERALD

This week, the children in Fitzgerald have been using their prior knowledge of balanced arguments to both create and debate a range of juicy discussion points! After many heated yet respectful exchanges, they went on to compose some highly insightful and engaging cold writes. What a super start to 2024!

FOREST SCHOOL

Forest School have had lots of fun in their final session this week. They were very sensible observing the rules of fire and safety, enjoyed making s'mores and put the fire out safely at the end.

LSPTFA NOTICES

FURTHER NOTICES

- We are seeking an experienced, enthusiastic childcare practitioner to join our team.
- Term time only, 21 hours per week
- We need an Ofsted approved level 3 early years qualification, experience of working with under 5 's, someone supportive of our Christian ethos
 Be a part of a friendly, caring preschool which is committed to professional development and training of all our staff
