

Mrs V Wallace
Head Teacher

WEEKLY REPORT FROM THE HEAD TEACHER

Dear Parents & Carers,

The first full week of the spring term has highlighted some fabulous learning this week. You will see the amazing lessons taking place through the school as you read through the following pages.

In addition, some children have enjoyed various enhancements to support with their SEN and SEMH learning. From Comic Art to Forest School along with the interventions, support and the accommodations that take place regularly throughout the school day.

The next SEN coffee afternoon will be hosted at school in the Lillington Lounge on Wednesday 24th January at 2pm. We look forward to welcoming you.

OPAL (Outdoor Play and Learning) is going from strength to strength as we introduce new equipment and activities - this week the skateboards enjoyed an outing!

Please remember to order your child(ren)'s lunch via ParentPay for the coming week.

Enjoy your weekend.

Best wishes,

Mrs Wallace
Head Teacher

IT'S EXCITING TO NOTICE AND CELEBRATE

Congratulations to Darwin class who achieved the highest attendance in Key Stage 1 this week **94.8%**

Congratulations to Hopper Class who achieved the highest attendance in Key Stage 2 this week **96.7%**

Overall school attendance this week is below our target of 95%.
Total school attendance was **91.2%**

SEN SUPPORT

The SEND page on our school website contains lots of helpful information. <https://www.lillingtonprimary.com/send-information-and-report/> Please do take a look and if you need any advice or support, please ask.

The Community Autism Support Service provides support and guidance for young autistic people or those awaiting a diagnosis. The service currently has a significant waiting list and has therefore produced a bank of materials to support young people and their families. This can be accessed by clicking this link - <https://casspartnership.org.uk/resources/>

Warwickshire SENDIAS provides information, advice and support to disabled children and young people, and those with SEN from birth to 25, and their parents living in Warwickshire. 'Young people' means those aged between 16 and 25 years who can contact SENDIAS independently if they wish to do so.

Their accredited team of local advisors offers impartial, confidential advice and support on all matters relating to SEND. Their aim is to enable you to make informed decisions.

NURSERY 2 YEAR OLDS

This week in Mother Teresa we have been learning and recognising our emotions. We have been singing the nursery rhyme 'if your happy and you know it'. To further support this we used the colours, yellow for happy, blue for sad and red for angry. The children were able to look at their reflection in the mirror and choose the colour ball to describe how they felt.

NURSERY 3 YEAR OLDS

This week we have been settling in to our first full week back and welcoming our newest friends to nursery. We have been looking at the colour monster story and how we might feel. We have used the different colours in our water play. We have also been exploring the frost and ice outside and went on our walk, listening to the different sounds in our environment.

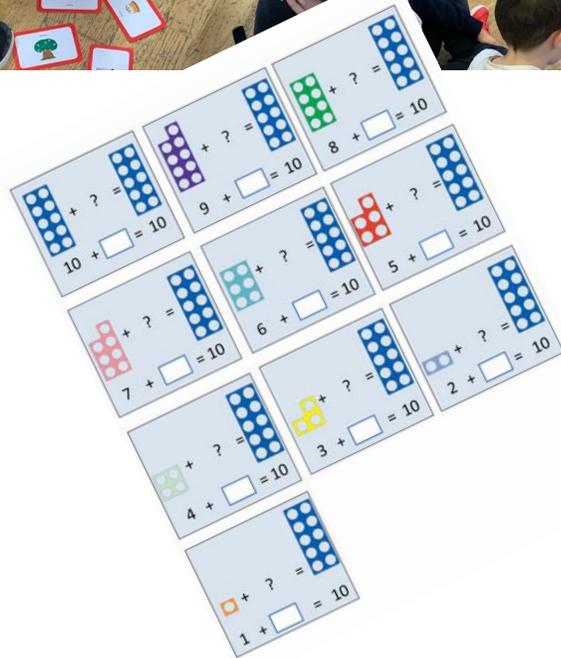

RECEPTION - BEVAN

This week Reception have had some visits from the Big Bad Wolf. He has knocked down our buildings and made a mess in the classroom. This has inspired lots of building in our garden.

YEAR ONE - DARWIN

Darwin have had a great week exploring number bonds to 10 and 20. They have investigated patterns and had fun taking it in turns to be the teacher.

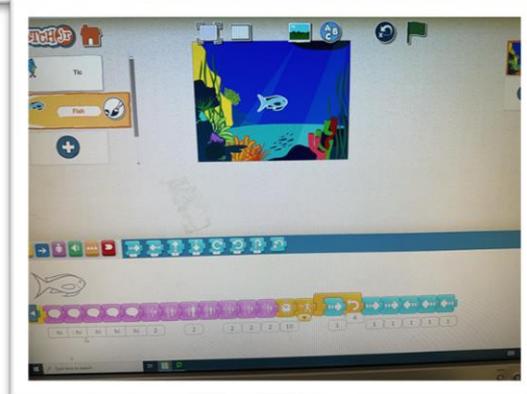

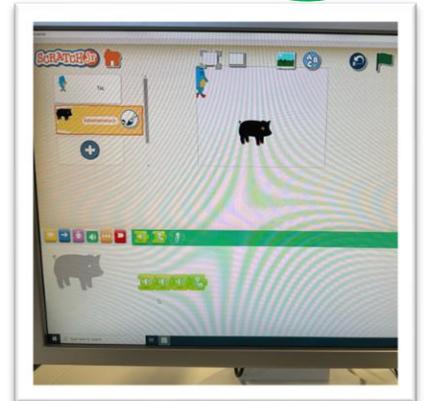

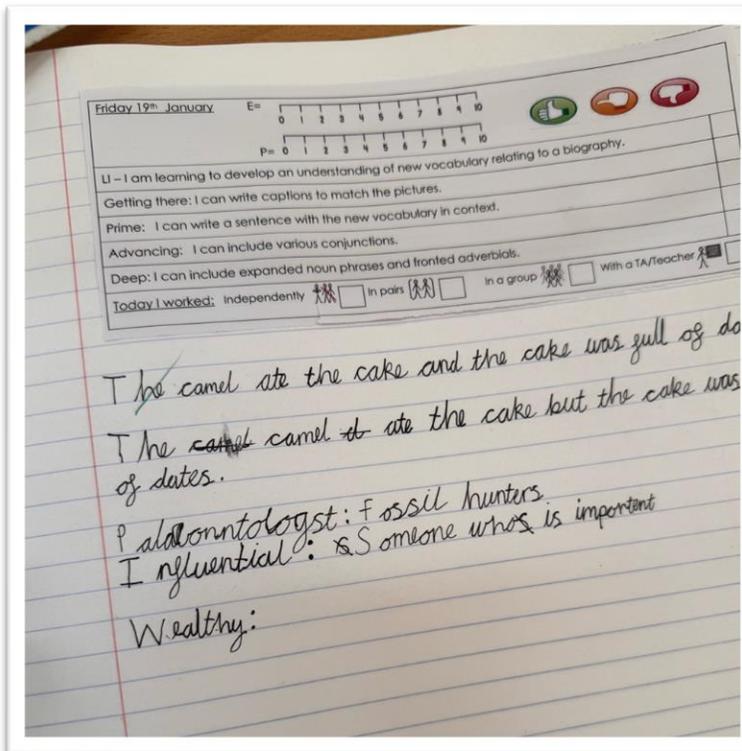

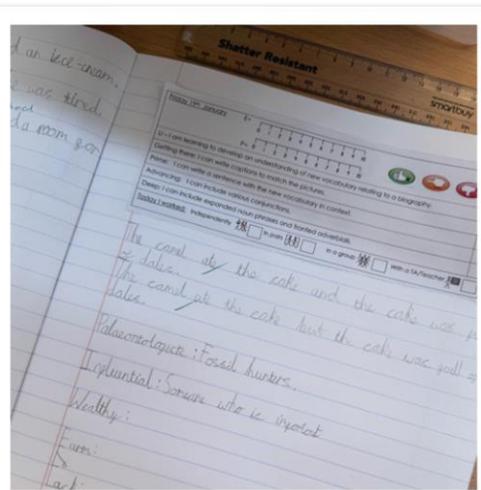

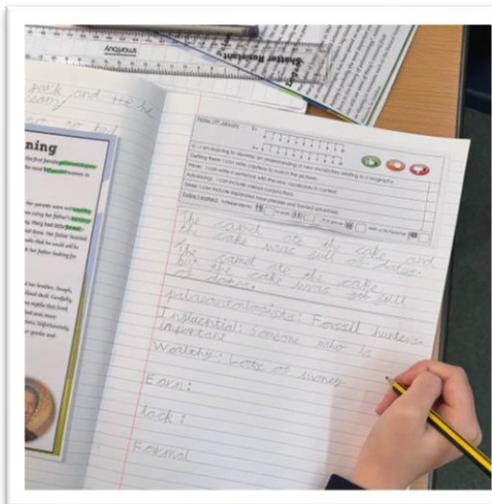

YEAR TWO - PEAKE

Year 2 have made a super start to their new science topic this week. We are learning about materials, their properties and what they are used for. We did a tour of the school finding different objects and recording what materials they are made from.

YEAR THREE DREW

Drew Class have experienced a varied and broad curriculum this week. We have been working hard on analysing biographies and unpicking unfamiliar words associated with our model biography, about Mary Anning. This meant lots of dictionary work. We also acted out our unfamiliar words - which was rather humorous. In computing, we have been learning about adding sound bites as part of Scratch programming. Overall, a super week from Y3!

YEAR FOUR - HOPPER

Year 4 have had an exciting week continuing to explore during OPAL time at lunch.

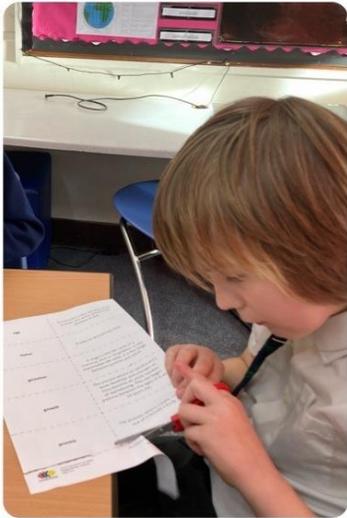

YEAR FIVE - KING

King Class have started their Tints, Tones and Shades art project this week. After learning what the three different versions of colour are, the children mixed white into the prime colours to make different tints. Here are some photos of the children at work.

YEAR SIX - FITZGERALD

This week in Fitzgerald, the children worked together in science to complete a 'scientific vocabulary challenge' around their current topic. They used the range of available media to inform their best answers and showed superb fairness and competitive spirit throughout. Well done, Fitzgerald!
