## EXCITING TIMES

**WEEKLY REPORT FROM THE HEAD TEACHER**  
Dear Parents & Carers,  
The penultimate week of term has been full of amazing learning, and we have also formally launched our Brass this week! Today all the children and staff worked in their house groups to create a display of their house name. The competition entry has been in full swing all week and the winners will be announced next week (the week of school's big week).

Next week is the final week of our spring term - Miss and Mrs will have issued it. [Click this link](#) and the [big date](#) are listed on the page.

Thank you once again to all our amazing and hardworking staff for making this school what it is. We will be looking at the final report on the school's progress at the end of the year. We will be looking at the final report on the school's progress at the end of the year. We will be looking at the final report on the school's progress at the end of the year.

Best wishes,  
Mrs. [Name]  
Head Teacher

## IMPOTANT DATES

Next week is the final week of our spring term - blink and you will have missed it. It is a busy week with the following key events taking place:

- Tuesday 23rd March**
  - Easter Church Service for both KS1 and KS2.
  - Parents Evening online 4pm until 7pm. Please book your appointment if you have not already done so.
- Wednesday 24th March**
  - Reception and Year 4 health checks.
  - Parents Evening online 3.30pm to 6.30pm. Please book your appointment if you have not already done so.
  - MAPLE CLASS Parents Evening 3.30pm to 6.30pm. (Maple Class will take place in school).
- Thursday 25th March**
  - Year 4 River Leam Walk.
  - LSP1FA Easter Disco (KS1 3.30pm to 4.15pm and KS2 4.30pm to 5.30pm).

## WEEKEND CHALLENGE 4

Why not put those bits and bobs lying around the house to use this weekend by exploring the countless pleasures of creating your very own musical instrument.

We look forward to seeing your creations.

## IT'S EXCITING TO NOTICE AND CELEBRATE

Congratulations to Bevan class who achieved the highest attendance in Key Stage 1 this week **92.7%**

Congratulations to Maple Class who achieved the highest attendance in Key Stage 2 this week **100%**

Overall school attendance this week is below our target of 95%.  
Total school attendance was **91.2%**

## FOREST SCHOOL

## NURSERY 3 YEAR OLDS

We have been looking at different ways to use our equipment such as making a volcano jungle. We have also been building weight bearing (strengthening).

## RECEPTION - BEVAN

Reception have had another busy week, investigating shape patterns, strengthening fingers ready for writing about our houses which started school on Monday and creating some art with natural resources.

## YEAR ONE - DARWIN

Darwin have really got to grips with their year. They have created some excellent flow, improved core strength and 'bookish' will start to show.

## YEAR THREE - DREW

Year 3 have been enjoying our annual visit to Holy Magdalene Church, where we had the opportunity to learn about the history of Lillington and the church. We saw some fascinating pictures of Lillington which were taken 100 years ago. How different Lillington was back then as it was so small and simple. It was so different to the grand Lillington we have today. It was so different to the grand Lillington we have today. It was so different to the grand Lillington we have today.

## YEAR FOUR - HOPPER

Year 4 have enjoyed programming this week looking at how we can collect data using our new micro:bit.

## YEAR FIVE - KING

King Class have continued their 'Robotics in a Digital Computing' project in computing this week. They developed their understanding of how the flow of actions in algorithms and programs can be controlled in different conditions. After putting the Codeblocks together they had to use the 'if...then...' structure in their programs.

## YEAR SIX - FITZGERALD

This week the children in Fitzgerald investigated factors/variables which affect the insulation and amount of heat of a room. Using the water rubber gloves, straw and card, they successfully followed scientific methodology to gather and present a range of findings before evaluating their own for improvement and additional variables to test.

## LSP1FA

Can you help at the disco next Thursday? We would love to have from more children.

## NOTICES

Are you the parent or guardian of a curious and enthusiastic 5-8 year-old child? Are they keen to learn or make a difference? Or do they have a skill they're good at and would love to share?

Memberships company Common Sense and back with a second series of the Clubbies year-to-year learning show 'Can Do It, You Can Do It' with presenter James South-Brook.

We're looking for children with a broad range of interests and hobbies - sports, circus skills, dance moves, rhye playground tricks, cool football skills or anything in between. Maybe they want to learn or teach wheelchair tennis, badminton, goal ball, dogball, or something else.

If we need to hear about activities and skills that your child is keen to learn or teach, if you think your child, or a child you know, would be interested in taking part email us on: [common.sense@common.sense.co.uk](mailto:common.sense@common.sense.co.uk)

## WEEKLY REPORT FROM THE HEAD TEACHER

Dear Parents & Carers,

The penultimate week of term has been full of amazing learning, and we have also formally launched our Houses this week!

Today all the children and staff worked in their house groups to create a display of their house name. The competitive spirit has been in full swing all week and the winners will be announced next week - watch this space, or should I say house!

Next week is the final week of our spring term - blink and you will have missed it. It is a busy week, and the key dates are listed on the next page.

Today we were visited by BBC Coventry and Warwickshire to record 'Star School' which will be featured on the Phil Upton Breakfast show. We will of course share details to confirm when the piece will be broadcast.

Enjoy your weekend and we look forward to seeing Reception through to Year 6 on Monday. Nursery is closed for staff training.

Best wishes,

Mrs Wallace  
Head Teacher

# WEEKEND CHALLENGE 3

## History Detectives

For the weekend challenge this week, we will be focusing on history. Miss Porter would like you to research a local person of interest - Turpin, Shakespeare, Jephson or Whittle are some names for inspiration.

You can draw a picture, create a non chronological report, show off your computing skills and create a PowerPoint or see if you can write a set of clues for us to try and guess who your person of interest is.

**Dr Henry Jephson**

**Sir William Shakespeare**

**Sir Frank Whittle**

# ★ ★ ★ ★ WEEKEND CHALLENGE 2 ★ ★ ★ ★

Here is a lovely science activity you can do at home. Children of all ages can have a go, but you will need adult supervision as scissors will be needed. I would love to see some pictures of your parachute creations, please email them to the office: [admin@lillingtonprimary.com](mailto:admin@lillingtonprimary.com).

## Awe and Wonder Plastic Bag Parachutes

You will need:  A square of plastic bag material  A plastic person  String  A hole punch  Scissors

### The Science Bit

When you release the parachute the weight pulls down on the strings and opens up a large surface area of material that slows down the person. The larger the surface area the more air resistance and the slower the parachute will drop.

### Method:

1. Cut off across the corners of the square, creating an octagon shape.
2. Hole punch in the middle of each side.
3. Put a piece of string through each of the 8 holes and tie.
4. Gather the 8 pieces of string together and tie to your plastic person.
5. Cut out a small circle from the centre of your parachute to let air pass through gently.
6. Get up somewhere high, on top of a climbing frame or up some stairs.
7. Hold the centre of your parachute, with the person underneath. Let go and watch how they travel to the ground.
8. Does the parachute open? Does the person travel fast or slow? Does the person go straight down or to one side? Does it spin? What could you do differently?

## Blindfolded Obstacle Course Orienteering Activity

**Equipment:** blindfolds – per pair; cones, low level hurdles, hoops, beanbags

**Preparation and set-up:** Use the equipment to set up a range of different courses for the children to direct their partner through - see the example course shown.

### What to do:

- Organise the children into pairs, with a blindfold per pair.
- Prior to having a go at the obstacle course blindfolded, let the children familiarise themselves with wearing a blindfold and directing one another. The first command they should practise is 'Stop'.
- Use one of the courses, already set up, to explain the activity.
- Children take it in turns to direct their blindfolded partner through the course.
- The aim is for the blindfolded child to work their way through the course, without touching the equipment.
- Encourage the use of directional language, such as forwards, backwards, left and right.

### Directions:

1. Zigzag in-between the cones.
2. Step inside each of the hoops.
3. Step over the hurdles.
4. Walk 360° around the beanbag.

### Differentiation:

- The courses that you set up can be as easy or as challenging as you wish to make them, by varying the number of obstacles you include and how close together or far apart the equipment is laid out.
- Add a timed element for completing the courses. For this, you may want to have several smaller courses set out. To ensure safety, emphasise that the children are racing against a clock and not other pairs.
- Children set up their own courses, to gently guide their partner through.

Emphasise to children the importance of always keeping their blindfolded partner safe, by getting them to stop if there are any objects or obstacles in their way that might be a trip hazard or that they could bang into.

Here you'll find a super simple and easy to use blindfold challenge for your own children.

This orienteering activity is a perfect way to encourage teamwork with your children, as they partner up and guide each other through the activity.

It is also the first steps into simple computer programming!

**Admission £13 Adult, Concession £7, Family £30**

**Coventry & Warwickshire Youth Orchestra in concert with SoundLab**

We are extremely excited to announce a very special musical collaboration will take place at Coventry Methodist Central Hall when the Coventry & Warwickshire Youth Orchestra will join forces with the SoundLab in concert and featuring the percussion of Dave Marshall Barrett. This is the third concert of CWYO in this season.

Tickets can be bought online, please visit our website to see how to buy and keep up to date with future concerts:

<https://www.cwyo.org/concerts>

CWYO will be conducted by Joe Davies to perform a collection of new and old pieces from CWYO and SoundLab, inspired by the city of Coventry. The programme will include classical orchestral favourites such as: Pirates at World's End by Hans Zimmer, How to Train Your Dragon and concertos from Mozart and Shostakovich.

The new pieces will be from our talented young musicians including a Cinematic Rhapsody, a tribute to Ghost Town and our collaborative composition – Coventry Chaos!

Since its inception in 1961, the City of Coventry Youth Orchestra has steadily grown in reputation and stature both nationally and internationally. In January 2015 it was joined by members of the Warwickshire County String Orchestra to form the new Coventry & Warwickshire Youth Orchestra. The primary goal of the orchestra is to enrich the lives of participating young musicians and audiences through the enjoyment of rehearsing and performing orchestral repertoire at the highest possible level.

SoundLab is a centre for creative music making in partnership with the Royal Birmingham Conservatoire, Coventry Music and Coventry University. The vision is to create space for all young people to be creative in their music making, whilst seeking diversity in musical genre, pathway to music instruments, vocal styles and culture. Removing the barriers to enable all who wish engage the opportunity to do so. SoundLab COV is for 10-16 year olds who have range of musical interests and styles including spoken word, dance, electronic, jazz, classical and more.

This concert would not have been possible without the generous support from Lions clubs from across Coventry and Warwickshire.
