EXCITING TIMES

WEEKLY REPORT FROM THE HEAD TEACHER

Dear Parents & Carers,
The first week of term has been so exciting so far. The children have learned about the teacher story as part of the Religious Education curriculum, where we celebrated all faiths and explored ethics in their respective religions.

The first lesson incorporated an art project where the children have created some amazing displays with their work and helped Mr. Van Der, Sports Headteacher (John) school this week and took the role of their PE activity. The results of this have already been published on the school page.

Key dates for the summer term can be found on this link.

Have a wonderful Easter Holiday and we look forward to welcoming you back to school on Monday 9th April.

Best wishes,
Mrs McAfee
Head Teacher

NURSERY 3 YEAR OLDS

This week we have been doing lots of Easter things. We have made our Easter eggs, cards and lots of Easter egg modelling. We have enjoyed making and lots of craft bits too.

YEAR ONE - DARWIN

Children have been having lots of fun learning their letter sounds. They have loved trying to fit the letters on the internet and have found that they are getting better and better.

YEAR THREE - DREW

Year 3 have been investigating the history and what materials can affect the function of a chair's legs. Children made their own chairs and tested them with different materials to see which would hold the most weight. They also made a presentation about their findings.

YEAR FOUR - HOPPER

Year 4 had a fantastic session this week in PE. Lots of teamwork, resilience and perseverance.

YEAR FIVE - KING

King Class finished their 1000, 1000 and 1000 art project this week by painting their 1000. They had to choose a landscape, sketch it and then use paint to create the right colors, tones and shades. All the colors used in their paintings were created from the primary colors, white and black.

YEAR SIX - FITZGERALD

This week the children in Fitzgerald have been learning the lyrics and melody to their new song. They got a special CD that they made. The children had the opportunity to perform their song and receive a special certificate. The children were very proud of their work and enjoyed the experience.

LSPTFA

Thanks to Peter of PSC, Forty King & Queen Specialist in Galton, for the loan of the fantastic disco lights. Peter used to go to Lillington School and we really appreciate his continued support for the PTFA and school.

Thanks to parents and staff who helped off yesterday's disco. We really couldn't do it without you! and to the kids for coming! Look out next term to see how much money we raised.

For this year we've awarded four class/club grants funding:

- As a treat for the after school club to make tasty healthy snacks.
- Water tray for Reception to support outdoor learning.
- Soft play equipment for Early Years Nursery.
- Contribution towards an Egyptian experience day coming up for Year 4.

WEEKLY REPORT FROM THE HEAD TEACHER

Dear Parents & Carers,

The final week of term has been as bustling as ever. The children have learnt about the Easter story as part of the Religious Education curriculum, where we celebrate all faiths and significant dates in their respective calendars.

The first house competition was a great success last Friday and the children have created some amazing displays with their adult leads and helpers. Mr Mark Bailie, Executive Headteacher visited school this week and took the role of Judge very seriously - the results of the house display competition follow on the next page.

Key dates for the summer term can be found via [this link](#).

Have a wonderful Easter Holiday and we look forward to welcoming you back to school on Monday 8th April.

Best wishes,

Mrs Wallace

WEEKEND CHALLENGE 4

Easter Holiday Homework

You have been working so hard this term. It's time to take a break, sit back, and enjoy a couple of weeks on holiday! Here are some things we hope you manage to tick off:

- On a rainy day, go outside and splash in puddles.
- Make Easter cakes and share them with your family.
- Go for a long walk with your family.
- Wear your pyjamas all day!
- Help your family to cook a delicious meal.
- Make a den out of duvets and blankets.
- Have a sleep over on a week night!
- There are lots of birds and animals out this time of year – see how many you can spot in your garden or local park.
- Have a board game night and stay up late.
- Use your Easter egg boxes to make something interesting.
- Have an Easter egg hunt in your garden.
- Watch your favourite film and eat some Easter chocolate.
- Do something kind for a loved one.
- Help out the creepy crawlies in your garden and make a bug hotel!

Easter is a special time of the year for Christians.

Share with your teacher how you and your family choose to celebrate it.

Can you find out why this festival is so special to Christians?
Make a video, PowerPoint, poster or story.

You could also try some of the crafts and suggested attached!

WEEKEND CHALLENGE 3

History Detectives

For the weekend challenge this week, we will be focusing on history. Miss Porter would like you to research a local person of interest - Shakespeare, Jephson or Whittle are some names for inspiration.

You can draw a picture, create a non chronological report, show off your computing skills and create a PowerPoint or see if you can write a set of clues for us to try and guess who your person of interest is.

Dr Henry Jephson

Sir William Shakespeare

Sir Frank Whittle

★ ★ ★ ★ WEEKEND CHALLENGE 2 ★ ★ ★ ★

Here is a lovely science activity you can do at home. Children of all ages can have a go, but you will need adult supervision as scissors will be needed. I would love to see some pictures of your parachute creations, please email them to the office: admin@lillingtonprimary.com.

Awe and Wonder Plastic Bag Parachutes

You will need:  A square of plastic bag material  A plastic person  String  A hole punch  Scissors

The Science Bit

When you release the parachute the weight pulls down on the strings and opens up a large surface area of material that slows down the person. The larger the surface area the more air resistance and the slower the parachute will drop.

Method:

1. Cut off across the corners of the square, creating an octagon shape.
2. Hole punch in the middle of each side.
3. Put a piece of string through each of the 8 holes and tie.
4. Gather the 8 pieces of string together and tie to your plastic person.
5. Cut out a small circle from the centre of your parachute to let air pass through gently.
6. Get up somewhere high, on top of a climbing frame or up some stairs.
7. Hold the centre of your parachute, with the person underneath. Let go and watch how they travel to the ground.
8. Does the parachute open? Does the person travel fast or slow? Does the person go straight down or to one side? Does it spin? What could you do differently?

Blindfolded Obstacle Course Orienteering Activity

Equipment: blindfolds – per pair; cones, low level hurdles, hoops, beanbags

Preparation and set-up: Use the equipment to set up a range of different courses for the children to direct their partner through - see the example course shown.

What to do:

- Organise the children into pairs, with a blindfold per pair.
- Prior to having a go at the obstacle course blindfolded, let the children familiarise themselves with wearing a blindfold and directing one another. The first command they should practise is 'Stop'.
- Use one of the courses, already set up, to explain the activity.
- Children take it in turns to direct their blindfolded partner through the course.
- The aim is for the blindfolded child to work their way through the course, without touching the equipment.
- Encourage the use of directional language, such as forwards, backwards, left and right.

Directions:

1. Zigzag in-between the cones.
2. Step inside each of the hoops.
3. Step over the hurdles.
4. Walk 360° around the beanbag.

Differentiation:

- The courses that you set up can be as easy or as challenging as you wish to make them, by varying the number of obstacles you include and how close together or far apart the equipment is laid out.
- Add a timed element for completing the courses. For this, you may want to have several smaller courses set out. To ensure safety, emphasise that the children are racing against a clock and not other pairs.
- Children set up their own courses, to gently guide their partner through.

Emphasise to children the importance of always keeping their blindfolded partner safe, by getting them to stop if there are any objects or obstacles in their way that might be a trip hazard or that they could bang into.

Here you'll find a super simple and easy to use blindfold challenge for your own children.

This orienteering activity is a perfect way to encourage teamwork with your children, as they partner up and guide each other through the activity.

It is also the first steps into simple computer programming!

NURSERY 3 YEAR OLDS

This week we have been doing lots of Easter things. We have made our Easter nests, cards and lots of Easter egg matching. We have enjoyed mark making and lots of craft bits too.

YEAR ONE - DARWIN

Darwin have been having lots of fun learning their times tables. They have loved playing hit the button on the internet and have found that they are getting faster and faster.

YEAR THREE - DREW

Year 3 have been investigating fair testing and what materials can affect the friction of a shoe's sole. Children made some super and informed predictions and then made links with which materials would suit different sports and activities. Look at the brilliant presentation also!

Results

Selected item for additional grip	Measurement in % before testing
Sole - nothing	1.5
Sticky tape	1.3
Sandpaper	0.5
Chalk	1

Conclusion

Sticky tape was the best at adding grip to the shoe sole but it would lose its grip. This was the least effective, there was less contact with its surface area. Chalk 3rd best, but allowed the shoe to slip on its small granules. Nothing. Rubber sole was the 2nd best and will be long lasting.

Question: How do we make the soles of our shoes less slippery?

Notes:

- Rubber (yellow) - use of sugar cubes
- Sticky sticky tape
- Aluminium foil
- Chalk
- Sandpaper

I think that sandpaper will give the most grip for my shoe sole.

Coventry & Warwickshire Youth Orchestra in concert with SoundLab

We are extremely excited to announce a very special musical collaboration will take place at Coventry Methodist Central Hall when the Coventry & Warwickshire Youth Orchestra will join forces with the SoundLab in concert and featuring the percussion of Dave Marshall Barrett. This is the third concert of CWYO in this season.

Tickets can be bought online, please visit our website to see how to buy and keep up to date with future concerts:

<https://www.cwyo.org/concerts>

CWYO will be conducted by Joe Davies to perform a collection of new and old pieces from CWYO and SoundLab, inspired by the city of Coventry. The programme will include classical orchestral favourites such as: Pirates at World's End by Hans Zimmer, How to Train Your Dragon and concertos from Mozart and Shostakovich.

The new pieces will be from our talented young musicians including a Cinematic Rhapsody, a tribute to Ghost Town and our collaborative composition – Coventry Chaos!

Since its inception in 1961, the City of Coventry Youth Orchestra has steadily grown in reputation and stature both nationally and internationally. In January 2015 it was joined by members of the Warwickshire County String Orchestra to form the new Coventry & Warwickshire Youth Orchestra. The primary goal of the orchestra is to enrich the lives of participating young musicians and audiences through the enjoyment of rehearsing and performing orchestral repertoire at the highest possible level.

SoundLab is a centre for creative music making in partnership with the Royal Birmingham Conservatoire, Coventry Music and Coventry University. The vision is to create space for all young people to be creative in their music making, whilst seeking diversity in musical genre, pathway to music instruments, vocal styles and culture. Removing the barriers to enable all who wish engage the opportunity to do so. SoundLab COV is for 10-16 year olds who have range of musical interests and styles including spoken word, dance, electronic, jazz, classical and more.

This concert would not have been possible without the generous support from Lions clubs from across Coventry and Warwickshire.
