'Moments Matter, Attendance Counts'

NURSERY 2 YEAR OLDS

In Mother Teresa we have enjoyed our messy learning. Popping water play, sticky dough exploring, free painting and wet chalk drawing. We had lots of fun with the shadows and lights in the sensory room too.

NURSERY 3 YEAR OLDS

This week we have been moving in different ways through Yoga, stretching, balancing and climbing. We have enjoyed building with the loose parts to design a ball run. We explored the sand pit too!

RECEPTION - BEVAN

This week in Reception we have released the butterflies. We also had a visit from an artist who helped us make some flowers, this will be used to decorate the school site. We have also started to learn about sharing in maths.

YEAR ONE - DARWIN

The first one has been done for you

5 tens = 50

6 tens = 60

7 tens = 70

8 tens = 80

9 tens = 90

10 tens = 100

Getting there: I can count forwards and backwards to 20.
 Prime: I can understand that 1 ten is the same as 10 ones.
 Advancing: I can create two digit numbers using practical resources.
 Deep: I can use my understanding of tens and ones to reason and solve problems.
 Today I worked: independently in pairs in a group with a TA/Teacher

YEAR FOUR HOPPER

We explored geometric shapes, tessellating patterns and motifs in our art lesson in Year 4 this week as we began to explore Islamic Art.

PIC•COLLAGE

YEAR FIVE - KING

King Class have been finding out what makes a successful structure in design technology this week. They compared the strength of triangles and squares in structures, explored the stability of different shaped columns and compared different arrangements of building blocks to find out which gave greater stability. It was a great lesson with amazing contributions from the children.

YEAR SIX - FITZGERALD

This week in Fitzgerald, the children have launched themselves into their end of year writing assessments. After completing wonderful pieces of dilemma and biography writing, they let off steam (with smiles all round) by competing in the 2023/2024 Fitz-Olympics! This fun-filled event enabled the children to both bond and gather points for their respective houses in a variety of competitive and bizarre activities!

Advice and guidance on choosing the correct car seat for your child

We are delighted to extend an invitation to the staff and pupils of Lillington Nursery and Primary School to join us for a fun-filled day to celebrate The Shakespeare Hospice's 25th anniversary, including garden games, stalls, tombola, a raffle as well as food and refreshments. We would really appreciate it if you could share the event in your newsletter to parents and spread the word.

Does your school have a choir, dance group etc., who would like the opportunity to perform at the fete? We can offer a 20-minute slot for your school group to display their talents at the event and entertain everyone on the day! Please respond by 12pm on Wednesday, 5th June to confirm your slot.

The Shakespeare Hospice Summer Fete & Tea Party

Where: The Shakespeare Hospice, Church Lane, Shotton, CV37 9UL
When: Saturday, 15th June 2024, 12.30-3pm

Entry is FREE but donations are welcome! All funds raised on the day will help deliver our essential end of life palliative care services.

We hope to see you there!

WE ARE HIRING!

Administration Assistant - Warwick District - Full time Role

This is an exciting opportunity to join the Warwick District Children & Family Centre team to offer services to improve the outcomes and life chances for all children, young people and their families by offering effective preventative and early intervention services, with a focus on those who are hardest to reach and are experiencing the greatest challenges in life.

We are seeking to recruit an enthusiastic Administrator, who will support our team of Children and Family Centres which are based in Warwick District across Warwick and Leamington. This role will be for 4 days (29 hrs per week) or possibly 5 days (36.25 hrs per week) Please do specify on the application if you would prefer to work 4 or 5 days.

Our Centre opening times are between Monday - Friday between 9.00 – 4.45pm and the successful applicant will be working these hours either on 4 full days or 5 full days.

Adult and Community Learning

You are invited to join **FREE Family Learning Courses**

What is Family Learning? Family Learning offers courses and workshops for parents and carers to develop their understanding of how their children learn, through meaningful, practical activities. We help families to live their best lives by supporting parents to give their children the best start through a rich home learning environment. We empower parents through the acquisition of knowledge, understanding and skills to support their children's learning and development. We help learners to progress to further learning and employment — to contribute to a thriving local economy. Our courses and workshops are informed by research based approaches to education.

Some courses are for parents and carers to attend alone and others are for families to attend together.

Here are some examples of the types of courses that we offer:

Literacy	Numeracy	Science, Food and the Environment	Art and Play	Parenting and Life Skills
Raising Early Achievements in Literacy (REAL)	Raising Early Achievements in Maths (REAM)	Science Explorers	Play and Learn	Understanding your Child
Story Sacks	Primary Numeracy	Outdoor Explorers	Art Explorers	Soothing Sacks

★ ★ ★ ★ WEEKEND CHALLENGE 10 ★ ★ ★ ★

Royal
Leamington
Spa

Research a local or national charity that is important to you or your family. You could prepare a speech for your class about the charity or design a poster to share why this is important to you. Perhaps you have donated your time or are planning to raise money for a charity that is special to you.

★ ★ ★ ★ WEEKEND CHALLENGE 9 ★ ★ ★ ★

Design and make models

Age range: EYFS and KS1

Build a house using boxes and other materials. First though, you need to design the house. Before a house can be built, an architect has to draw what is to be built. You are to be architects! Draw the house then build their design.

Make a money box

Age range: EYFS and KS1

What you do: You'll need a box or can which you can make a slot in at the top for the money to go in. Together, decide how to create a flap through which the money box can be opened.

'Cook' granola pots

Age range: KS1

What you do: Choose a recipe to use - there are lots online. Prior to cooking discuss what you need to do (tie long hair back, wash hands, put on an apron). Then talk about what you're going to make, explaining why it's a healthy choice for breakfast or dessert. Look through the recipe together.

Design a boat

Age range: KS2

What you do: Select and look at pictures of boats. Search the internet together; look at different designs for various purposes. Look at the materials that are used for building boats, any pulley systems and sails. Design a boat for a specific purpose (travelling, fishing, exploring), thinking carefully about the materials you would use, the way the boat would travel and how many people would be able to travel in it.

This week Mr Pegg is setting a desafio Español – Spanish Challenge.

Spanish is the second most widely spoken language in the world.

Do you know the days of the week in Spanish?

Can you teach them to someone at home?

★ ★ ★ ★ WEEKEND CHALLENGE 7 ★ ★ ★ ★

This week it is time for a geography challenge.

Can find a flag from any country in the world and draw or paint it?
What can you discover about your chosen country? Language(s) spoken, population, which continent, what is the climate. As much information as you discover.

Or you could create a junk model map or globe. Bonus points if you can add details like the equator, continents and oceans.

Will your entry make the new challenge display board?

Inspired by the work of Georges Seurat, practice Pointillism at home using a cotton bud, some paint and paper! Draw out your picture and carefully fill it in with dots using the cotton bud.

Another idea is to take a sheet of patterned kitchen roll and use felt tip pens to follow the design!

WEEKEND CHALLENGE 5

Easter Holiday Homework

You have been working so hard this term. It's time to take a break, sit back, and enjoy a couple of weeks on holiday! Here are some things we hope you manage to tick off:

- On a rainy day, go outside and splash in puddles.
- Make Easter cakes and share them with your family.
- Go for a long walk with your family.
- Wear your pyjamas all day!
- Help your family to cook a delicious meal.
- Make a den out of duvets and blankets.
- Have a sleep over on a week night!
- There are lots of birds and animals out this time of year – see how many you can spot in your garden or local park.
- Have a board game night and stay up late.
- Use your Easter egg boxes to make something interesting.
- Have an Easter egg hunt in your garden.
- Watch your favourite film and eat some Easter chocolate.
- Do something kind for a loved one.
- Help out the creepy crawlies in your garden and make a bug hotel!

Easter is a special time of the year for Christians.

Share with your teacher how you and your family choose to celebrate it.

Can you find out why this festival is so special to Christians?
Make a video, PowerPoint, poster or story.

You could also try some of the crafts and suggested attached!

Why not put those bits and bobs lying around the house to use this weekend by exploring the countless pleasures of creating your very own musical instrument.

We look forward to seeing your creations

WEEKEND CHALLENGE 3

History Detectives

For the weekend challenge this week, we will be focusing on history. Miss Porter would like you to research a local person of interest - Shakespeare, Jephson or Whittle are some names for inspiration.

You can draw a picture, create a non chronological report, show off your computing skills and create a PowerPoint or see if you can write a set of clues for us to try and guess who your person of interest is.

Dr Henry Jephson

Sir William Shakespeare

Sir Frank Whittle

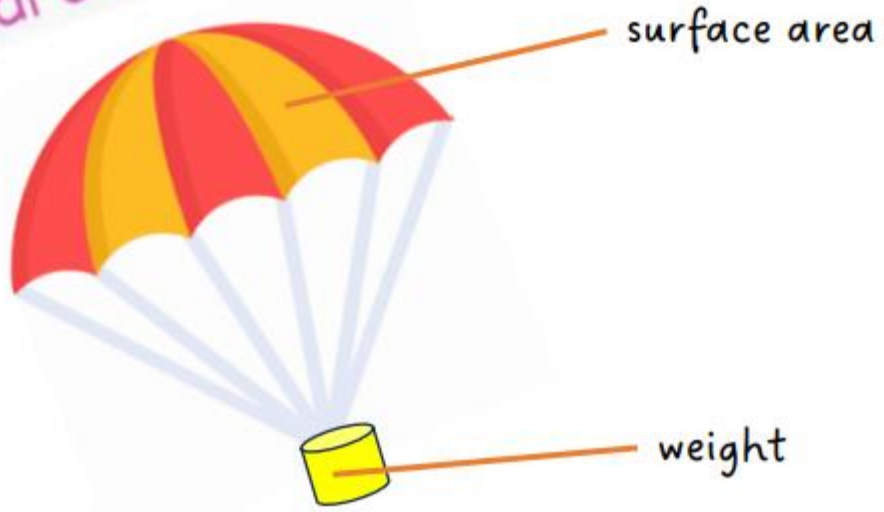

★ ★ ★ ★ WEEKEND CHALLENGE 2 ★ ★ ★ ★

Here is a lovely science activity you can do at home. Children of all ages can have a go, but you will need adult supervision as scissors will be needed. I would love to see some pictures of your parachute creations, please email them to the office: admin@lillingtonprimary.com.

Awe and Wonder Plastic Bag Parachutes

You will need:  A square of plastic bag material  A plastic person  String  A hole punch  Scissors

The Science Bit

When you release the parachute the weight pulls down on the strings and opens up a large surface area of material that slows down the person. The larger the surface area the more air resistance and the slower the parachute will drop.

Method:

1. Cut off across the corners of the square, creating an octagon shape.
2. Hole punch in the middle of each side.
3. Put a piece of string through each of the 8 holes and tie.
4. Gather the 8 pieces of string together and tie to your plastic person.
5. Cut out a small circle from the centre of your parachute to let air pass through gently.
6. Get up somewhere high, on top of a climbing frame or up some stairs.
7. Hold the centre of your parachute, with the person underneath. Let go and watch how they travel to the ground.
8. Does the parachute open? Does the person travel fast or slow? Does the person go straight down or to one side? Does it spin? What could you do differently?

Blindfolded Obstacle Course Orienteering Activity

Equipment: blindfolds – per pair; cones, low level hurdles, hoops, beanbags

Preparation and set-up: Use the equipment to set up a range of different courses for the children to direct their partner through - see the example course shown.

What to do:

- Organise the children into pairs, with a blindfold per pair.
- Prior to having a go at the obstacle course blindfolded, let the children familiarise themselves with wearing a blindfold and directing one another. The first command they should practise is 'Stop'.
- Use one of the courses, already set up, to explain the activity.
- Children take it in turns to direct their blindfolded partner through the course.
- The aim is for the blindfolded child to work their way through the course, without touching the equipment.
- Encourage the use of directional language, such as forwards, backwards, left and right.

Directions:

1. Zigzag in-between the cones.
2. Step inside each of the hoops.
3. Step over the hurdles.
4. Walk 360° around the beanbag.

Differentiation:

- The courses that you set up can be as easy or as challenging as you wish to make them, by varying the number of obstacles you include and how close together or far apart the equipment is laid out.
- Add a timed element for completing the courses. For this, you may want to have several smaller courses set out. To ensure safety, emphasise that the children are racing against a clock and not other pairs.
- Children set up their own courses, to gently guide their partner through.

Emphasise to children the importance of always keeping their blindfolded partner safe, by getting them to stop if there are any objects or obstacles in their way that might be a trip hazard or that they could bang into.

Here you'll find a super simple and easy to use blindfold challenge for your own children.

This orienteering activity is a perfect way to encourage teamwork with your children, as they partner up and guide each other through the activity.

It is also the first steps into simple computer programming!
