School Uniform Policy

September 2024

1. Aims

This policy aims to:

- Set out our approach to requiring a uniform that is of reasonable cost and offers the best value for money for parents and carers.

- Explain how we will avoid discrimination in line with our legal duties under the Equality Act 2010.
- Clarify our expectations for school uniform.

2. Our School's Legal Duties under the Equality Act 2010

The Equality Act 2010 prohibits discrimination against an individual based on the protected characteristics, which include sex, race, religion or belief, and gender reassignment.

To avoid discrimination, our school will:

- Avoid listing uniform items based on sex, to give all pupils the opportunity to wear the uniform they feel most comfortable in or that most reflects their self-identified gender.
- Make sure that our uniform costs the same for all pupils.
- Allow all pupils to have long hair (though we reserve the right to ask for this to be tied back).
- Allow all pupils to style their hair in the way that is appropriate for school yet makes them feel most comfortable.
- Allow pupils to request changes to swimwear for religious reasons.
- Allow pupils to wear headscarves and other religious or cultural symbols.
- Allow for adaptations to our policy on the grounds of equality by asking pupils or their parents/carers to get in touch with the head teacher, who can answer questions about the policy and respond to any requests.
- Families struggling financially will be supported in the acquisition of uniform by the school.

3. Limiting the Cost of School Uniform

Our school has a duty to make sure that the uniform we require is affordable, in line with statutory [guidance](#) from the Department for Education on the cost of school uniform.

We understand that items with distinctive characteristics (such as branded items, or items that have to have a school logo or a unique fabric/colour/design) cannot be purchased from a wide range of retailers and that requiring many such items limits parents' / carers' ability to 'shop around' for a low price. We balance this against the school community's wish for a consistent school uniform.

We will make sure our uniform:

- Is available at a reasonable cost.
- Provides good value for money for parents/carers. We do this by:
- Selecting a competitive uniform provider*.
- Selecting a local provider who is able to develop a good working relationship with the school and with families, providing an online delivery service.
- Asking our uniform provider to research and source good quality uniform items, taking account of the quality of the material, that items are made from an easy-care fabric and are reasonably priced**.

- Limiting the number of uniform items with distinctive characteristics, so that there is a clear uniform code, while parents/carers do not have to buy too many distinctive uniform items (only 1 logo item required: School jumper/cardigan). We do allow parents to buy unbranded school jumpers/cardigans as long as they are school colours.
- Avoiding specific requirements for items pupils could wear on non-school days, such as coats, bags and shoes.
- Avoiding different uniform requirements for different year groups.
- Avoiding different uniform requirements for extra-curricular activities.
- Making sure that arrangements are in place for parents/carers to acquire second-hand uniform items.
- Avoiding frequent changes to uniform specifications and minimising the financial impact on parents/carers of any changes.
- Consulting with parents/carers, pupils and staff on any proposed significant changes to the uniform policy and carefully considering any complaints about the policy.
- We offer financial support to all pupil premium families to allow them to purchase school uniform throughout the year.
- We buy all children in reception (when they join us), their school tie.

**The school is not that large a market and so to make it viable for a supplier to order in the volume of items that need to be kept in stock, it is not realistic to engage multiple suppliers. The economies of scale help the supplier to keep costs down.*

Ongoing breaches of our uniform policy will be dealt with by the school's leadership team. In cases where it is suspected that financial hardship has resulted in a pupil not complying with this uniform policy, staff will take a mindful and considerate approach to resolving the situation.
